DULL SEASON

EFFECT OF WORK OR FIGHT ORDER SEEN IN POLICE DEPARTMENT

Now is the dull season in the Police Department's office and this summer it is particularly dull, possibly because of the "work or fight" campaign which has driven many light-fingered idlers of Los Angeles county to a search for employment which will keep them out of the army. Chief Herald is taking his annual vacation and his work is being divided among the officers of the force, and City Manager Watson has also taken his turn at the desk. In response to inquiries about the department he said:

"At the present time George Brewster is supposed to have charge of the desk during the day. A. J. Van Wie acts as Desk Sergeant from 10 p. m. to 4 a. m. From that time Janitor Martmer is on duty until Mr. Brewster arrives at 8 a. m. On holidays and Sundays the calls are made at the Fire Department, but the telephone call is always Glendale 1300, day or night, and the office is in charge of a desk sergeant every hour of the twenty-four, day or night.

The patrolmen keep in touch with the office by telephoning in once an hour and if they are needed for emergency calls they are signalled by red lights, which are very noticeable at night and which are operated through the desk sergeant's office both at the City Hall and the Fire House. As soon as the lighting system of the Tropicana district is taken over, these signal lights will be extended to that territory.

No regular beat is provided for the day work of patrolmen. Most of their work is in response to messages which come in over the telephone. Every message is investigated and the message and report are filed and catalogued for reference.

The night watch begins at 7 o'clock and Captain Lawrence is in charge. There are four regular men on the night watch, including Captain Lawrence. The others are: W. H. Hollenbeck, who is temporarily on day work during the absence of Chief Herald, J. P. Lampert (a substitute is now acting in his place because of his having to undergo an operation, but he expects to be on the force again in a short time) and a third man, Wallace Fryer.

"Provision has been made in this year's budget for one more patrolman to be added to the force who will probably devote most of his time to the night watch. The appropriation in this year's budget for the patrolling night watch is \$6,053, and the appropriation for the patrolling day watch is \$898. It will cost something over \$2000 to maintain the desk sergeant's office for the twenty-four hours. Attendants do other work in connection with that service and only a portion of their time is charged to that account.

"The salaries of the employees of the Police Department run as follows:

Per mo.	
Chief Herald	\$130.00
Captain Lawrence	\$115.00
H. W. Hollenbeck.....	\$100.00
J. P. Lampert	\$100.00
Wallace Fryer	\$ 90.00
Extra Patrol	\$ 85.00

"There is also a provision for an extra man for three months at \$85 per month to be employed in case of emergency. We do not know what contingency may arise to require it.

"Traffic Officer Garwood receives \$110.00 per month. About two-thirds of his time is charged to traffic and the rest to day patrolling and other services.

"George Brewster receives \$30 for the time he devotes to the Desk Sergeant's work, and the balance of his salary is charged to bookkeeping.

"Of A. J. Van Wie's salary, \$45 is charged to Desk Sergeant work and the balance, as in the case of Mr. Brewster, to bookkeeping.

"The salaries account of the Fire Department is also credited with \$12 for desk sergeant work which is charged against the Police Department. This is to cover the work done by members of the Fire Department on Sundays and holidays.

"The total cost of the Police Department for which the budget has made provision is \$12,389.61 and \$500 in addition for equipment, which applies more particularly to the enlargement of the signal light system.

"All patrols have to report every hour, day or night. Chief Herald directs the work of the department and assigns each member to special

THE RED CROSS

THREE IMPORTANT CHAIRMANSHIPS MADE VACANT BY RESIGNATIONS

The Executive Committee of the Glendale Chapter of the American Red Cross held a business meeting Tuesday evening at the headquarters. Officers and department chairmen present were: J. H. Braly, Olin Spencer, Mrs. H. S. Duffield, Mrs. H. E. Bartlett, Mrs. H. D. Thaxter, Mrs. John Robert White, Mrs. Glenwood Jones, Miss Coral Griffith, Mrs. Jack Boettner, Miss Minnie Fink, Richardson D. White, A. T. Cowan and E. F. Parker.

The meeting was called to order by acting chairman Olin Spencer, who later resigned the chair in favor of Chairman Braly, who arrived late. The minutes of the previous meeting were approved as read by the secretary, Mrs. H. S. Duffield.

Miss Minnie Fink, cashier, read a very satisfactory financial report of the chapter, the text of which was printed in the Glendale News of Aug. 1st.

Acting Chairman Spencer read a bulletin from the Pacific Division headquarters, San Francisco, requesting that a shipment of everything on hand in the production department be sent forward by the 15th inst. This will include about two boxes of garments for the French and Belgian refugees made under the direction of the Conservation department, according to the statement of R. D. White, chairman of that department.

The resignation of Mrs. Laurence Ellis as chairman of the Hospital Garments department was read by Mrs. Duffield, secretary. On motion this was accepted with regret and the appointment of Mrs. Sadler as her successor was ratified by the Board. The resignation of Mrs. Ezra Parker as knitting chairman was also announced by the secretary and Mrs. Bartlett was appointed a committee of one to find a successor. Chairman Braly later announced the resignation of Mrs. Evalyn Tuft as chairman of surgical dressings and Mrs. Bullock was appointed in her stead. All three ladies have served most efficiently and their absence will be keenly felt by their associates. Mrs. Duffield was instructed to express the regret and appreciation of the Board to each in writing.

Chairman Braly having arrived and taken charge of the meeting, the "Budget" plan of apportioning the finances of the chapter, as recommended by the Pacific Division headquarters, was outlined by Acting Vice-Chairman Spencer and was placed in the hands of the Finance Committee for consideration. This plan provides for a 25% allotment for Home Service Work, which contemplates the caring for the dependent families of enlisted men. Great emphasis is laid upon this branch of Red Cross work by the organization.

Mrs. Duffield reported that several entertainments for the benefit of the local Red Cross chapter were in prospect and moved that Mrs. Mabel Franklin Ocker be appointed chairman of a Bureau of Entertainments. As brought out during the discussion which followed the motion, the purpose of the bureau is to give out information in regard to the conduct of Red Cross entertainments and benefits and to provide a register of events, thus preventing a violation of prescribed Red Cross rulings and a conflicting of dates in the arranging of such events. The motion was seconded and carried. Mr. Cowan very generously volunteered to publish a calendar of Red Cross entertainments in the Glendale Evening News if the secretary would furnish the data.

Mrs. H. D. Thaxter, chairman of Nurses' Training Classes, stated that she was organizing a class to begin work September 1st.

R. D. White, chairman committee for the revision of by-laws, reported that the committee was ready with its report but, owing to the lateness of the hour, the meeting was adjourned to meet again Friday evening of this week at the same time and place for a consideration of this matter.

SUGAR FOR CANNING

Advices received from the Food Administration are to the effect that persons desiring a second allotment of canned sugar may obtain the same only on the presentation to grocers of permits signed by the local Food Conservation Committee. These permits may be obtained from Mrs. Thomas D. Ogg of 149 South Kenwood street or from Mrs. A. A. Barton of 330 North Howard street.

work that comes in. It is his business to see that all messages that come in are investigated and taken

BRITISH BEGIN OFFENSIVE

MAKING SATISFACTORY PROGRESS IN PICARDY WHILE FRANCO-AMERICAN DRIVE CONTINUES

(Special Service to Glendale Evening News)

LONDON, August 8.—The British war office announced today that the British and French under the command of Field Marshal Haig attacked at 5 o'clock this morning over a wide front in Picardy southeast of Amiens.

The British fourth army and the French first army are participating in the attack.

The statement said, "The first reports indicate that the attack is progressing satisfactorily."

Meanwhile the Franco-American drive on the heights between the Vesle and the Aisne river crossing the Soissons-Rheims highway continues. Heavy fighting is in progress.

Additional bridges have been thrown across the Vesle and the Americans have reached the railway and the main highway north of the Vesle.

FAVORS U. S. CONTROL OF PACKING PLANTS

RECOMMENDATION OF FEDERAL TRADES COMMISSION IN PACKING INQUIRY CASE MADE PUBLIC TODAY

(Special Service to Glendale Evening News)

WASHINGTON, August 8.—President Wilson today gave out the report of the Federal Trade Commission dealing with the meat packers' inquiry.

The report recommended that the Railroad administration assume control of all stock yards, branch offices, stock and refrigerating cars and icing plants, leaving the packers only the business of slaughtering, and giving the government control of all storage, transportation and distribution.

The control of refrigerator cars constitutes a side swipe at the California "canner's trust."

Congressional legislation will be necessary to empower the Railroad administration to carry out this recommendation.

CALIFORNIANS IN CASUALTY LIST

CASUALTIES ANNOUNCED TODAY BRING TOTAL FOR THE FRANCO-AMERICAN DRIVE UP TO 3023

(Special Service to Glendale Evening News)

WASHINGTON, August 8.—Two hundred thirty-seven army and 108 marine casualties were announced by the war department today.

This list makes a total for the drive announced to date of 3023. Californians in the list were:

C. E. Irwin of Oakland killed in action.
R. A. Hegstrom of Los Angeles died from accident.
G. Gouldy of Reedley wounded in action.
M. A. Mittelholz of Pasadena wounded in action.

BRITISH WIN ALL FIRST OBJECTIVES

PRISONERS SAY ASSAULT WAS COMPLETE SURPRISE—FIELD REPORTS STATE PROGRESS IS SATISFACTORY

(Special Service to Glendale Evening News)

WITH THE BRITISH ARMY AFIELD, August 8.—The Franco-British attack in Picardy this morning started over a fifteen-mile front from Morlancourt to Moreuil astride the Somme.

At one o'clock today it had extended over a 25-mile front between Albert and Montdidier.

The British attacked first after a three-minute barrage. Their tanks gave valuable assistance.

The French then attacked in the Moreuil region after forty-minute artillery firing which smothered the Amiens-Roye road.

The British advanced toward Ciresy and Marcelcove.

The French attack took the direction of Aubercourt and Doumin.

The German resistance was bitter at Moreuil and Morzel but three hours after the attack started all of the first objectives had been won.

This afternoon reports to headquarters showed that several important villages had been reached and the progress up to four o'clock was "satisfactory."

Prisoners declared the assault was a complete surprise.

BRITISH CAPTURE VILLAGES

LATE REPORTS FROM PICARDY SAY MOREUIL, ANTOINE AND AUBERCOURT ARE IN HANDS OF ALLIES

(Special Service to Glendale Evening News)

LONDON, August 8.—Reports received here at 3:30 this afternoon said the allied offensive in Picardy had captured Moreuil, Antoine and Aubercourt with a number of other villages and the heights south of Morlancourt and west of Cerisey.

STEAMER SUBMARINED

(Special Service to Glendale Evening News)

WASHINGTON, August 8.—The navy department announced today that the American steamer Merak was sunk yesterday fifteen miles northeast of the Diamond Shoals light ship.

AUSPICIOUS OPENING

SOUTHERN CALIFORNIA VETERANS ENJOYING THEIR ANNUAL REUNION

Camp Wilson,
Huntington Beach,
Aug. 7, 1918.

Glendale News:

The 31st annual Encampment Southern California Veterans Association held their opening session last evening in the big auditorium with an audience that filled it to capacity. The address of welcome by Mayor French of Huntington Beach was both eloquent and expressive the hearty welcome accorded the old veterans in their yearly return to this camp by the citizens of Huntington Beach, who all felt that it was an event to be looked forward to with a feeling of pleasure and satisfaction.

Commander Tom Hull responded with a few well-chosen words of thanks for the courteous treatment that has always been extended the old boys in their homecoming, which has endeared them to the good people of Huntington Beach who have always treated us so royally that we are glad to come again.

The entertainment put on by the Huntington Beach W. R. C. was of an excellent character and elicited the hearty applause of an appreciative audience. The Municipal Band of Huntington enlivened the occasion with several excellent selections.

The attendance promises to be well up to previous records and the refreshing ocean breeze is a relief from the past week's torrid wave. The raising of the flag and address by Comrade Ed Seymour featured this morning's service. This evening will be taken by Stanton Relief Corps, who have prepared an elaborate program.

Will keep you posted from day to day.

Very Truly,
C. H. CLARK.

LOS FELIZ RED CROSS BRANCH

Mrs. William Harvey, Jr., of Los Feliz boulevard, who has had charge of the Surgical Dressings Department in the Red Cross Branch which meets in the municipal building at Brand and Los Feliz, has resigned her chairmanship because she is going east in a short time to be absent for several months. She is wonderfully efficient in this work and the shipments made by her classes have been highly complimented at headquarters. The work will not languish in her absence as it will be directed by Mrs. Charles A. Barker of 115 Glendale avenue, assisted by Mrs. George Adams of El Bonita street. These ladies have been working with Mrs. Harvey and are thoroughly capable. The surgical workers will meet hereafter every Monday and Wednesday afternoon.

The general work of the Hospital Garment section will continue to be supervised by Mrs. Hal Davenport, and will hold an all-day session every Wednesday.

The salvage work is under the chairmanship of Mrs. Hartley Shaw, collections being made Wednesdays and Saturdays, the mercantile building at San Fernando Road and Central avenue being the warehouse where the salvage is delivered and sorted. During the absence of Mrs. Shaw, Miss Ellen Churchill of Blanche avenue is acting in her stead.

The special fund accumulated for special comforts for local soldiers and sailor boys is running low, but is not exhausted. Mrs. Chauncey K. Lake has charge of the comfort bags provided under that fund, which is outside the regular Red Cross channels. Mrs. Andrew Stephenson has charge of wool provided under this fund to be made into garments for local boys.

Mrs. A. J. Hibbert is chairman of the regular Knitting Department of the Branch, and Mrs. John Collage of the comforters, rugs, etc.

SAD NEWS FOR MR. WILLISFORD

Mrs. E. H. Willisford who has just returned to her own home at 231 Orange street, states that she has just been advised of the death of Mr. Willisford's foster mother, Mrs. Harriet Hellaby of Corning, New York. Friends of Mr. Willisford have doubtless heard him tell of an aunt who, when his parents died, took their four children aged 2, 4, 6, and 8 years and brought them up as her own, she having no children. Mr. Willisford was the oldest of the four. They always called her mother and bore her name until they were grown, though they were never legally adopted. This is the second break in his family circle since he went to France, his brother William Willisford of Corning, having died last January. He visited both of these relatives when enroute for "over there."

CORONA BOY WITNESSES DEDICATION OF AVENUE DU PRESIDENT WILSON

The Glendale News has been permitted to publish the following extracts from an interesting letter received by Miss Hazel Reynolds of this city from Peter Krogstad, formerly of Corona, California, but now in service in France. He writes:

"On the morning of the Fourth I went to the dedication ceremonies on the Avenue du President Wilson, it so happening that I was within fifty yards of the speakers' stand, so I was very lucky. President Poincaré, the speakers of the Senate and Chamber of Deputies, Lord Derby, Lloyd George, General Joffre, and many other notables were present. After the speeches there was a parade of 3000 American Marines and soldiers who were victors recently with an equal number of French soldiers. The Capital was ablaze with red, white and blue, and all Paris had turned out for the occasion, every one wearing a little American flag or pin. In the afternoon there was a big athletic meet in which over 500 American and Frenchmen took part, and at night a musical boxing entertainment. George Carpenter, the French champion, gave an exhibition, Elsie Janis, Miss Mildred Kearny and others sang, and a colored jazz band played selections. In a hundred different ways Parisians tried to make this year's Fourth of July an unforgettable day. Many American soldiers have been in French homes."

DUNCAN-BOLIN WEDDING

A simple but pretty home wedding took place Wednesday evening at 8:30 o'clock at the home of P. W. Parker, 331 South Central avenue, when the daughter of the house, Miss Rose Marie Duncan, was united in marriage to John Dempsey Bolin, a young rancher of the Antelope Valley whose postoffice is Lancaster. Rev. C. R. Norton was the officiating clergyman, the ceremony being quite informal and preceded by vocal solos sung by Frederick Heyser, brother-in-law of the bridegroom, who has a beautiful voice, and who was accompanied upon the piano by his daughter, Miss Helen Heyser. A wedding supper of several courses was served which included a beautiful Hooverized wedding cake made of rye flour. Only members of the families of bride and groom were present. The young people left the same night for a brief wedding trip and on their return will go at once to the pretty home which the groom has provided for his bride.

Tenth Street to Garfield Avenue.
Sycamore Avenue to Doran Street.
Valley Boulevard to Adams Street.
Tropicana Avenue to Los Feliz Road.
Damasco Court and Blanche Avenue to Maryland Avenue.
Lot A. of Witham Tract to be named Chestnut Street, being
a continuation of said street.

WHAT WOULD YOU CALL IT?

The city of Oakland recently witnessed the disgraceful spectacle of 3500 union boiler makers and iron shipbuilders, striking and tying up construction work on some 26 ships for two days.

The matter was over a technicality in regard to some back wages due under a government award in February, at which time the men agreed not to strike during the war but submit their troubles to arbitration.

The word of the government was behind the whole proposition but the men struck any way and have further notified the government and shipyards that they will strike again unless matters are settled to suit them.

Regardless of the merits of the demands, which will be fully considered by the proper authorities, there was no excuse whatever for the behavior.

The action of these men was a disgrace from any angle it can be considered. They broke their word in regard to striking and they placed their petty grievances ahead of the lives of our boys in France. These men have soft jobs at home at big pay and the time has arrived to call a spade a spade.

Action such as theirs, in the army, would be called desertion and the offenders would have been severely dealt with. An individual who would delay construction on 26 ships for two days to the great aid of the kaiser would be called a traitor.

As an American citizen you can classify the action of strikers in a case like this to suit yourself.—The Manufacturer.

PRUSSIANISM OR AMERICANISM

That is the sole issue in the tide of Socialism sweeping over our country—which shall it be Prussianism or Americanism? With all the mistakes, blunders and imperfections of the American political system, for fifty years a hundred million people prospered. We enjoyed greater opportunities and achieved greater happiness and made more progress to the square inch per individual than any nation. Paternalism and Socialism talk well and read well but the American system which they attack has always worked well.

Bolshevism viewed through the tortoise-shell rimmed glasses of some soft-handed and often soft-headed theorist is a nostrum. It is the name for the highest flowering of rampant socialism that opened the door for Kaiser kultur and is not making the people happy. Prussianism is despotism by the all-highest. Bolshevikism is despotism by the all-lowest. American democracy means opportunity for all.

“Democracy is the only system on trial today that is intelligently planned and fitted to the needs of the world.”

NO CREDITS IN WAR WORK

Another example of the fine spirit of cooperation displayed by religious organizations in aiding the charitable war work of their denominations has been afforded by the Salvation Army drive which ended the other day. Bespeaking the interest of the Catholic church in the success of the army's canvas for funds and testifying to the support given by non-Catholics to the Catholic war drive, Mgr. Lavelle, rector of St. Patrick's Cathedral has said:

“One of the most striking changes brought about by the war, and the consequent necessity for raising great funds for charitable work under the direction of the various organizations most fitted for it, has been practically razing the walls of religious insularism. These various drives have brought Jew and Gentile, Catholic and Protestant and the non-denominational shoulder to shoulder.”

Would the warm endorsement of the charitable activities of one religious faith on the part of another of different creed have been possible before this country entered the war? Then Jew and Gentile, Catholic and Protestant, made their appeals only to their own sects. But the support of the Y. M. C. A. drive by Catholics and of the Knights of Columbus drive by Protestants; the participation of all elements of the community without regard to race or creed in the Jewish drive, the Red Cross drive and finally in the Salvation Army canvas has borne cumulative testimony to a rare unity of religious interest in the work of winning the war.—New York World.

THE PEOPLE AND WAR TAXES

More than \$3,500,000,000 has been collected in internal revenue taxes, including income and excess profits taxes, for the fiscal year. This exceeds by over \$100,000,000 the estimates made a few months ago, and by over \$200,000,000 the estimates made a year ago when the revenue measures were passed by Congress.

The success in collecting this large revenue is attributed by the Treasury Department to the patriotism and co-operation of the American people in promptly and cheerfully meeting the war burdens imposed upon them.

PERIL TO AMERICA IN FAR EAST

The danger point in the war is not on the western front. It is in the seas. There is no danger of the Germans ever reaching Paris, but Russia and China are breaking, and it is there that the menace to the United States exists. This is according to W. G. Shepherd, war correspondent, in an interview recently. He pointed to the restoration of the opium traffic as a sign of the disintegration of China. He said:

“The German army makes no concentrated attack without first having made a year's preparation for it. They are about forty-four miles from Paris at the nearest point, and I positively know from months of campaigning with Richard Harding Davis, Jimmie Hare, John McCutcheon and many other American, British, French and Italian correspondents, that it is an utter impossibility for the German army to capture Paris.

“Russia and China are the two big problems today.

“China is going to pieces before our eyes. The restoration of the opium traffic there is only another indication of this war time tendency to go back to barbaric customs. The United States will do well to stay the tendency in China and Russia to revert to barbarism.”

Mr. Shepherd has visited every cantonment in the United States and says that this nation is ten times better prepared for the waging of a long war than any other in the world, including Germany.—Washington Times.

GIVES OLDER MEN A CHANCE

The United States is moving with giant strides in its plans to mobilize the entire strength of the nation to make certain the defeat of Germany.

Not content with widening the draft and removing all limitations on the size of the army, it is now proposed to raise the age so that men of 55 can be accepted in the army and used for non-combatant service.

This great step toward mobilizing the full power of the nation is so eminently wise and just that it should meet with unanimous approval. Under the present law, thousands of men who are willing and able to do good work for the army are barred from the service because they are over 40.

The services of effective soldiers are required now in many occupations in which these older men could do as good work. If these men are given a chance to enlist, they will relieve from duty effective soldiers who can join the colors.

There is little doubt that the bill will pass and when it does, the effective strength of the American expeditionary army will be raised by the release of the troops held in war occupations at home and back of the lines.

There is not the slightest reason why men who can do effective work for themselves or others in private life can not do the same for the government.—Sacramento Union.

It will be noticed in almost every instance that alleged “representatives” of labor who are dubious about the right of the United States to be engaged in the war, who believe in perfect freedom for the German language and the seditious press, and who are against harsh treatment of the enemy alien, are also opponents of prohibition and advocates of the doctrine that there should be no restriction of the coal supply for the breweries. All you need to do is to scratch one in order to find the other.—C. S. Monitor.

THE PARLIAMENTARY LAW COURSE

Mrs. A. A. Barton, President of the Glendale P. T. A. Federation reports that the preliminary lesson in parliamentary law which was given by Mrs. P. S. McNutt Wednesday morning at the Intermediate School, was very satisfactory and successful. The ladies present who enrolled for the course were: Mrs. I. J. Wernette, President of the High School P. T. A.; Mrs. Lydia Kulp, President of the Broadway P. T. A.; Mrs. George Dewey, President of the Central Avenue P. T. A.; Mrs. E. A. Glassburn, President of the Cerritos Avenue P. T. A.; Mrs. Minette Sherman, Mrs. L. N. Hagood, Mrs. James Ewings, Mrs. A. C. Anderson, Mrs. A. A. Bar-

ton and Mrs. McNutt. The class will continue to meet Wednesday mornings from 10 to 11:30. The initial lesson concerned the duties of president and secretary.

COLUMBUS AVE. P.T.A.

The mothers of children of the Columbus avenue school are asked to meet at the school house tomorrow, Friday, from 1:30 to 5 o'clock, to sew. They are asked to bring their thimbles and scissors.

Dr. J. E. Eckles has moved his office from 1125 North Central avenue, Case Verdujo to 323½ S. Brand boulevard, first stairway south of Palace Grand Theater. 285t6

Primary Election August 27th, 1918.

MASSACHUSETTS CONSTITUTIONAL CONVENTION REJECTS HEALTH INSURANCE

At the general election in November, this year, the voters of this state will be asked to reject or adopt Senate Constitutional Amendment No. 26, which is designed to give the Legislature power to establish a system of compulsory health insurance. Bills of similar nature have been defeated in every state in the Union in which they have been offered. In Massachusetts a constitutional convention is in session, and this convention this week rejected, by a vote of 107 to 43, a proposed amendment to the constitution of that state designed to confer authority on the Legislature to establish a system of social health insurance.

The proposed amendment was opposed by a number of persons who regard such insurance legislation as inconsistent with democratic institutions. When it was learned that the matter was coming before the constitutional convention the Boston Central Labor Union adopted and sent to all members of the convention a resolution which condemned compulsory health insurance as “a vicious scheme which seeks to establish a system of periodical physical examinations for the workers.”

In January of this year the special commission on social insurance in Massachusetts reported adversely on compulsory health insurance, stating, “there appear to be two serious obstacles to the enactment of legislation of this character, namely, the united opposition of employer and employee to the scheme, and the difficulties presented by the constitutional aspects of the question.”

GOVERNMENT LOAN TO BETHLEHEM STEEL

The Treasury Department authorizes the following:

Upon the request of the Director of Steel Supply of the War Industries Board, the War Finance Corporation, in order to assist in meeting the urgent requirements of the country for steel and certain other war products, has agreed to make an advance to the Bethlehem Steel Corporation of approximately \$20,000,000.

The proceeds of this advance will be used for the completion of certain contemplated extensions for coke ovens, blast furnaces, plate mills, etc., at the Sparrows Point plant of the Steel Corporation. These extensions will round out and materially increase the production of this plant. It is expected that the work will be completed within one year. The War Finance Corporation will receive for this advance serial notes of one to five year maturities, part of a total authorized issue of \$50,000,000.

The remainder of this issue is to be underwritten by a syndicate to be formed by bankers for the Bethlehem Steel Corporation. The notes will be ultimately secured by bonds of Bethlehem Steel Corporation of a par value equal to 140 per cent of the notes. These bonds are in turn to be secured by direct mortgage upon the principal steel properties controlled by the Bethlehem Steel Corporation through its subsidiaries, and also indirectly, through the pledge of securities, upon other properties controlled by the Bethlehem Steel Corporation.

NAVY DOES ITS BIT

A quartermaster was hoisting the Admiral's flag, and having secured it was turning away, when a new man who had been watching him said: "Say, Jack, what's the two stars mean in that flag?"

The "old timer," after sizing him up, said: "Son, that flag is for two sailors who left this ship and joined the army. It's our service flag." —Ex.

BUY THRIFT STAMPS

Personals

W. B. Gaylord and daughter, of 134 East First street, spent Sunday at Long Wharf near Santa Monica.

Mrs. Porter J. Case, whose husband was called to Denver on business, is spending several weeks there with him.

Dr. P. O. Lucas has returned from a week's vacation at Big Bear lake and has reopened his office on Brand Boulevard.

Mr. and Mrs. W. P. MacMullin of 1560 Sycamore avenue and a party of friends are away for a week or ten days at Big Bear Lake.

Mrs. R. W. Gammon of 623 Gardena avenue, has moved to Venice. The house she vacated is now occupied by Mrs. C. Howe and children, who are new comers from San Francisco.

Rev. C. R. Norton who has been attending the annual encampment of the Southern California Veterans association was called home Wednesday to officiate at the marriage of Miss Rose Duncan and John Bolin.

Dr. Fred Lyon, a specialist, of Wichita, Kansas, with Mrs. Lyon, is enjoying a vacation in Southern California, visiting Mrs. Lyon's mother in Los Angeles and the doctor's cousins, E. W. Lyon of 232 South Louise street and J. E. Lyon of 319 N. Maryland avenue.

Mrs. William Harvey, Jr., of Los Feliz road, has had letters from her sister, Mrs. Logan of Chicago, stating that three of her sons who are in service are expecting to be sent overseas very soon. Two are in training near New York and a third, Corporal Waldo Hancock Logan, who is but nineteen, who is with a tank corps, is in training at Camp Gettysburg.

O. A. Gallup of 125 Central avenue, has motored to the ranch of his son near Palmdale, accompanied by his daughter-in-law who has been a guest at Thornycroft, and at his own home, and also taking as a travelling companion, Mr. Barclay of Los Angeles, who formerly had a music class in Glendale and who has many friends here.

Arthur G. Lindley of 104 South Kenwood street spent Tuesday and Wednesday in Santa Barbara in connection with his work as architect of the new Grace M. E. church of that city, which has been under construction for a month, and they are endeavoring to have it completed before conference time, as the pastor, Rev. Alfred J. Hughes, is going to France in Y. M. C. A. work at that time.

Mrs. A. H. Gaarder of 323 Glendale avenue, who returned with her daughters from San Jacinto about two weeks ago, reports that her son, Howard Gaarder, who is but eighteen years of age, has enlisted in the U. S. Navy and is now at San Pedro with other newly inducted Naval Reserves who will be kept in a detention camp for three weeks before taking their places with the other Jack Tars or being granted a leave to come home.

Mrs. J. L. Flint of 249 North Central avenue has received letters from Captain Flint, her doctor husband, in which he says that he is enjoying his work very much, that the camp at Palo Alto is very beautiful. He says all the doctors are busy all the time, all having special work to do, that the days are well filled out, but the nights are long. He has succeeded in finding an apartment and Mrs. Flint and little son expect to join him the latter part of next week.

Mrs. Dora H. Glazier of 900 Lombard avenue has had encouraging news from her son, who is in the Aviation Service at Rockwell's Field, San Diego. He had quite a fall and it necessitated an operation, which was performed a week ago Tuesday. He is in the camp hospital and the surgeons tell him he will have to remain there for a month. His mother visited him after the operation and found him doing as well as could be expected and later reports are more cheering still. The doctors promise him a complete recovery. He is not a dyer yet but hopes to be, and is anxious to get "over there." His accident has in no degree impaired his courage or enthusiasm for the service.

HOME WEDDING

One of the largest home weddings ever celebrated in Glendale took place Wednesday evening at the home of William Shea, 308 South Brand boulevard, Tropico district, when his daughter, Miss Blanche Shea, became the wife of Frank Starr, formerly of Glendale but now of Deer Lodge, Montana.

Both of the young people have many friends here, the bride being one of the most popular girls in the city and greatly beloved. The ceremony was performed at 8:30 o'clock by Rev. C. B. Hatch of Anaheim, under a canopy of pink carnations and ferns. Very pretty was the bride in her wedding gown of white satin. She was attended by her sister, Miss Lila Shea, as bridesmaid, another sister, Mrs. C. D. Bennett, being Matron of Honor. She was given away by her father; little Katherine Bennett was the ring bearer and Richard Kier of Los Angeles was best man.

As a prelude to the ceremony Miss Dorothy Hobbs sang "Because," the piano accompaniment being furnished by Mrs. Noble Ripley, who played the Mendelssohn wedding march for the entrance of the bridal party.

Light refreshments were served, which included a very handsome wedding cake, and friends lingered to inspect the wonderful collection of wedding gifts with which the bride had been showered and which included silver, cut glass, linen of many sorts and kinds to adorn the pretty home over which she will preside in Deer Lodge.

The young people left for a brief wedding trip with the expectation of returning to Glendale in a few days and leaving the first of next week for Montana.

The guest list included the following from Los Angeles: Mrs. Blanche Shea, Mr. and Mrs. William Huber, Mr. and Mrs. Richard Kier, Mr. and Mrs. Blake, Mr. and Mrs. Ray Miller, Miss Jessie Starr, Miss Eula Horton, and a few others whose names could not be learned. Miss Emily Hatch and Mrs. Gertrude Carney of Anaheim, Mrs. Joly of Baldwin Park, Mrs. Scott and Miss M. Scott, Englewood. On the Glendale list were: Mrs. E. A. Bennett, Miss Frances Brown, Mr. and Mrs. Butler, Rev. and Mrs. O. P. Rider, Paul Rider, Miss Ruth Rider, Mr. and Mrs. J. Herbert Smith, Miss Carrie Story, Miss Amy Miller, Mr. and Mrs. William Cox, Mrs. Charles Starr, Miss Loretta Starr, Mr. and Mrs. John Hobbs, Miss Dorothy Hobbs, Mr. and Mrs. Noble Ripley, Mr. and Mrs. Fred Spear, Mr. and Mrs. Glen Craig, Mr. and Mrs. Bliven, Mrs. Delia Hapgood, Charles Hapgood, Mrs. Lucile Ramsey, Mrs. Williams, Mr. and Mrs. Fred Deal, Mr. and Mrs. William Dutson, Mr. and Mrs. George Marek, Miss Jessie Hamilton, Misses Olive and Shirley Moffatt, Mr. and Mrs. Bernie Cook, Mr. and Mrs. Fred Richardson, Mr. and Mrs. George Peck, Mr. and Mrs. Myron Griswold, Mrs. Minnie Seare, Miss Irene Mauk, Miss Lila Webster, Miss Cecilia Lyons, Miss Nettie Werve, Miss Katherine Lord. From Pasadena came Mr. and Mrs. Horace Hale, Mrs. Mary Bartlett, Mr. and Mrs. Louis Bartlett, John and Allen Bartlett and Frances and Jessie Bartlett.

THOROUGHLY HOOVERIZING

Mrs. Augustus McBeth of 431 South Jackson street, who has successfully cultivated a large garden, reports that she has canned for family use between 30 and 40 quarts of Kentucky Wonder beans and has dried about sixty pounds of corn for winter use. She and her family have practically lived on the products of her garden this summer and she sold several dollars' worth of corn. The leaves of the stalks have all been removed and saved for forage, and the stalks will later be cut up and used as fuel, so nothing will be wasted. She has another crop of beans coming on, and crops of tomatoes. She will have to abandon gardening for a while however as she goes next Sunday to the Seaside Hospital at Long Beach to undergo an operation. She goes without fear as she is in excellent physical condition in most respects. She will be the patient of her family physician, in whom she has great confidence, and will be cared for by her cousin, a professional nurse, who has recently arrived from Kansas City.

MUSICAL CLARKS

There is a great treat in store for the music-loving people of Glendale in the coming on Friday night of the "Musical Clarks." Both Mr. and Mrs. Clark are fine musicians, playing several different instruments, and their eleven year old son Beverly has a wonderful voice for one so young. They will be assisted by Mrs. Mabel Hardwick Stuart, who is a fine soprano. At First M. E. church under auspices of the Brotherhood Class.

Think what the spectacle of cheerful giving means to the enemy. BUY THRIFT STAMPS.

B. Middlekauff, Proprietor
Glendale Baking Company
Glendale, California

Dear Sir:

We have received your telegrams of June 13 and June 17 to Mr. Hoover, regarding your new loaf of bread. As we wired you on June 14 we wish you would send a sample of your flour with the formula and method so that we may reproduce your loaf here.

Fearing that you did not receive our telegram or that the package of flour has gone astray, we are asking you to make a duplicate shipment.

Very truly yours,

HUNTLEY CHILD

HOLLAND SAILORS GO HOME

The United States Shipping Board authorizes the following:

After a wait in this country of nearly 4 months, 3000 Holland officer and seamen who manned the Dutch ships taken over by the United States last March, have been sent home, transportation for them being finally available. These seafarers were

guests of the Nation during their long wait. Chairman Edward N. Hurley of the United States Shipping Board, has written Netherlands Consul General Spakler thanking him for his assistance in helping care for and repatriate his countrymen, and also speaking in terms of praise of the Holland sailors.

"We have been much impressed with the high character and admira-

ble conduct of the Netherland officers and seamen during their sojourn in the United States," says Mr. Hurley in his letter to the Dutch consul general. "Under peculiarly trying circumstances they have made us appreciate vividly how valuable an asset to a great commercial nation is the existence of a class of stalwart, sober and self-reliant seafaring men."

LA CANADA

That twenty-acre parcel of ground owned by Messrs. Johnson and Sebright is set out to lemons in the most correct and approved style. It was completed last week and comprises the ground between Haskell street and La Canada boulevard and bounded on the south by the Lucia Gray property formerly known as Allen-dale Ranch.

"Skinner's Dress Suit" is the name of the feature at the next showing of moving pictures, August 16. The program for the evening includes a comedy, "He Couldn't Get up in the Morning." The Screen Telegram is the news "sheet" of the evening. For further particulars see the bulletin board. "Skinner's Dress Suit" is a George Klein release and Bryant Washburn is "Skinner."

The Farm Bureau meeting was held at the school house as usual Thursday evening.

The first Tuesday, which was this week, was the day when Red Cross pledges were due. Many were paid in at that time and the committee which has it in charge asks that you will please have the money ready when it is called for unless you can send it in. One can readily see the amount of work entailed by calling once for the pledge, and calling twice doubles that amount, and the pledges were given by us for our Country's sake.

Mrs. Witham of Burr avenue is at Huntington Beach recuperating and has been there for two weeks. We sincerely hope the sea air may prove beneficial.

The lower part of the road to the Arroyo Seco, which passes the Ranger's station, has been improved and work now is completed, thus opening up a connection with Pasadena. One coming from Pasadena can go there direct, no longer being obliged to come around by way of La Canada boulevard and Mountain avenue.

There is a stage running to Oak Wild from Pasadena now in operation. It starts from 34 South Raymond. It is a Blodgett stage. Sufferers from heat can find relief in the cool, shady haunts of the Arroyo.

B. D. Jackson has added a number of worth-while pictures to his store scenes of Big Bear Lake, camps and shores, made in the recent trip he took with Max Green to Big Bear.

Mr. Sherwood, living near the Arroyo Seco, woke Mr. Anderson up about 11:30 p. m. Sunday night, asking him to tow home his Ford, which had been damaged in an accident near Verdugo road.

It is warm, it is hot, but while we suffer we can be thankful we have no prostrations from the heat. The papers have accounts of many such prostrations East. The thermometer registers 103 to 113.

Mrs. Eckhardt, living near Palm drive, was taken to a Pasadena hospital this morning.

Water users need a little caution about conserving water these hot days.

Miss Lillian Selleck has been visiting in Pasadena for a week.

Harvey Sturtevant is back from Sawtelle. He usually returns home in September. La Canada looks good to him.

A brother of Mrs. W. T. Selleck has just been making her a short visit. Mr. Sturtevant is from Braly.

Mrs. W. F. Holden has donated two very artistic looking "Rolls of Honor," one for the Library and one for the Red Cross room, on which will be placed the names of all our boys who have gone to serve in the army and navy.

Mr. and Mrs. Horn have had a letter from Robert, written just after his arrival at Charleston. Robert is in the naval aviation camp at that point.

On August 15 Mrs. Jessica Hazard will meet all interested persons at the school house at 2 o'clock promptly. Mrs. Hazard will demonstrate flour and flour substitutes and also the cold pack method of canning. Mrs. Cooper went to Los Angeles last week to confer with Mrs. Hazard and has been looking for a promised letter setting forth more particulars of the expected demonstration.

Master Jimmy Hay of Los Angeles is making his grandparents, Mr. and Mrs. Howard, a visit.

Farm Administration at Washington sent out this dispatch: "Consumers are not expected to pay more than 10 or 12 cents a pound for rice when the 1918 crop is distributed.

The Rev. Robert Renison had a very appreciative audience last week. We wish all would avail themselves of the privilege.

Miss Helen Hinsdale of Long Beach is a guest at Far View Acres.

An inquiry is made of Max Green through these columns: "Have you seen the latest thing in baby bugies?" If you have not, you can see it near the corner of Sixth and Los Angeles streets, Los Angeles.

The women of the Land Army that the growers in the immediate country have employed, they will employ again next year for they have proved dependable and careful. The bulk of the army was made up of members of the State Normal, Occidental-Westlake and Marlborough.

F. H. Granger is doing some temporary work for the Salt Lake R. R. in connection with the transfer of the road to the Government.

Willard Barnum has arrived at camp in Georgia, which he reached by way of Texas, which proved a hot route to travel. Willard is a member of the Engineer Corps.

Starr Barnum is at present in a logging camp at Bay City, Wash. It furnishes a sort of vacation for Starr, who says that camp contains men from all states in the country.

Dr. Eversole is home from hospital.

Mrs. P. H. Johnson and son are as far as Boston and having a fine time. Aldridge is as good a traveler as his mother.

Mrs. Brigham is still in Santa Monica and enjoying her stay.

A dozen men or so were gathered in Verdugo canyon trying out an automobile on the Montrose railroad. What the result was nor why the trial was made was not learned.

Why has the Chautauqua salute sunk into oblivion? As you stand watching the soldiers and sailors march by, the women feel a great desire to express the emotions which swell up in their hearts as they watch the sons and brothers and in many cases the fathers march on with such a manly stride and fine appearance. How can they show to soldier boys what they feel? The men can remove their hats and clap and hurrah. Shall not the women revive the salute?
